Show Notes:

Welcome to the Monkey House indeed. The club looked as good as it sounded and the band along with special guest on percussion Mike Skinkus came out ready to rock the costumed crowd and still reeling from the prior night's Monkey Ball preview which featured the Bonerama horns for much of the show. Gems during Monkey Ball VIII include Red Dress, Number Two and Hardcore... and that's just during the first set. The second set included two GD covers, a long sip of Wine Spo-Dee O'Dee, the always upbeat Lucinda segueing into the Mag 7 and Cissy Strut instrumentals, and a fine Lovely You to kick off the encore and tokeep the place jumpin'.
