ev show notes:

The first NYC show following Ed Volker's announcement that he will be leaving the band in June after 33 1/3 years of nonstop touring by the constant 5 original band members. This was clearly an emotional, heartfelt show for the band, crew and fans. Given the context, virtually every song brought new meaning... most notably Daddy's Coming Home, Grief Snafu, Join The Circus, Fools Go First, and Party Ain't Over. Some good advice: Keep On Poppin' That Shine.
