A DECADE OF YONDER LIVE

10/24/2000 - The Cat's Paw - Bozeman, MT

Montana was another state that gave Yonder a hearty welcome every time they showed up, and this show certainly illustrates why: some thick sandwiches here, a comic element to the misheard lyrics of Boatman, and a very early Peace Of Mind. This is also one of Ben Hines' earliest shows as Yonder's new soundman, and he made a very positive first impression as he worked hard all night long to get the sound Just Exactly Perfect. - Pastor Tim
