# A DECADE OF YONDER LIVE

02/09/2003 - Cat's Cradle - Carrboro, NC

This show has a little bit of everything, from the sublime (Someday's Reunion) to the ridiculous (Dominated Love Slave) because The Cat's Cradle always brought its own magic. This was also one of those nights when the band left the stage and went down into the crowd to play the encore, and I'd swear you could hear a pin drop; thanks to Robbie Dunn for the unplugged recording: YonderTapers rule!
