YONDER MOUNTAIN STRING BAND 12/03/1998

A DECADE OF YONDER LIVE

12/03/1998 - The Merc - Jamestown, CO

This is one of the earliest complete-show recordings of Yonder that we have, recorded by David Hard a little over two months after the band had gotten together. The Jamestown Mercantile (better known as The Merc) is a wood-floored space where the band could stretch out a bit amongst friends. Lots of old bluegrass tunes, some hysterical banter (listen closely, especially when Burle shows up), great harmonies, and a great snapshot of the raw energy and talent that was present from the very beginning. - Pastor Tim
