These works propagated between July 28 and November 22, 2019 at Speakeasy Studios, three licks from Bayou St. John.

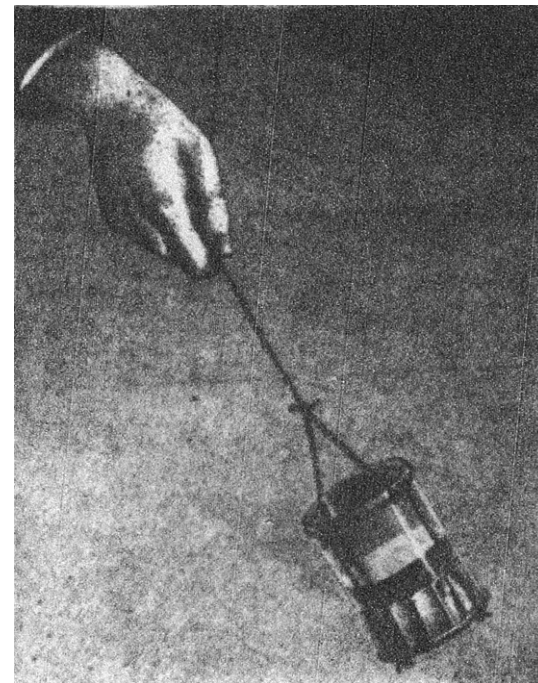

I'm thinking of The Vanished – both those things and people we've known and those we never will....and it's a sonic gesture to the Taken-For-Granted, that we might come to our senses to what's right under our noses/gnosis.

Much thanks: Jon H., Scott, Arya, Brad, & Jon.
